just installed one of the latest im-
proved Chandler & Price Job
Presses—come around and see it
work.

Our type is new and modern
faces.

The Bourbon News,

104 Issues a Year for
\$2.00.

Advertising rates reasonable and made
known on application.

A Fair Exchange No Robbery.

When Mr. Peabody's wife died he
had ordered that Mrs. Peabody's hat
should remain hanging on the hat-rack
just as she had left it.

After a year had elapsed Mrs. Pea-
body No. 2 was ushered in. As she
passed by the hat-rack he requested
that that hat might remain undistur-
bed.

A few years later Mr. Peabody was
bringing his third wife to his home.
He paused before the hat-rack where
the two hats hung. He repeated his
request.

"I will not disturb those hats," said
she, "but the next hat that hangs
there will be a man's."

And it was.—Judge.

Couldn't Let It Get By.

"I'm engaged to two girls, one
rich and the other poor. Which
would you advise me to marry?"

"Follow the dictates of your
heart, my boy."

"Then I'll marry the poor one."

"That's right—and now what's
the other girl's address?"—Boston
Transcript.

A Confession.

Gracie—Oh, Mr. Necoyne, how
lovely of you to bring me these
beautiful roses. How sweet they
are, and how fresh! I do believe
there is a little dew on them yet!"

Necoyne—Well, yes, there is,
but I'll pay it tomorrow.—Tit-Bits.

Took No Stock In It.

"Bodwin is the most thoroughly
optimistic fellow I ever met. You've
noticed his unfailing smile, haven't
you? Well, his wife tells me that
he even smiles in his sleep."

"Say, that ain't a smile. It's
facial paralysis."

Prompted.

He poised a drop of ink upon his
pen;

"What thoughts this drop may
give the world!" he said.

The drop fell on his shirt-front.
Ah, well! Then

His thoughts rolled out like hail-
stones on a shed.

The Contrary.

"I see that new architect in his
ideas about apartment houses comes
out flat for reforms."

"On the contrary, he is for re-
form for flats."

Cause and Effect.

The Earl of Ennui (dreamily)—
Wish I just had er million, and 10
years ahead of me.

Baron Beating-It—Well, you grab
the million, and you'll get the 10
years all right, all right.—Puck.

Shem—You'd better get ready for
the flood, brother!
Japhet—Did father say this was
the day for the beginning of the
rain?

"Do they have a good table?"
asks the prospective guest.

"It is first rate," answered the
man who has just returned. "Solid
oak, with heavy legs and a polished
top."

Said He—I have employed an in-
structor in elocution to teach me how
to talk.

Said She—What you need is some
one to teach you what to say.

"How are you getting on at your
country place these rainy days?"

"Oh, we're getting on swimmingly."

THERE ARE OTHERS.

She—He proposed to his wife over the
long-distance telephone.
He—Yes, and since their marriage he
seems to prefer to talk to her in the
same way.

"He could show you some things
about manners."

"Bah—I believe he's a crook!"

"Anyhow, he doesn't eat with his
knife."

"He would if it was against the
law."

"It is every woman's duty to keep
young as long as possible," she said.
"Yes," he admitted, "but the great
trouble is that so many women insist
on keeping young after it is impos-
sible."

"In your advertisements you stated
that you have no mosquitoes."

"So I ain't. Them pesky critters you
see flyin' around here don't belong
to me, by heck!"

DeBroke—I needed a V badly this
morning, so I borrowed fifty from
Marks.

Higgins—Why so much?

DeBroke—Well, it's much easier to
find an excuse for not returning fifty
than a mere five.

SCROFULA

Scrofula disfigures and
causes life-long misery.

Children become
strong and lively when
given small doses of

Scott's Emulsion

every day. The starved
body is fed; the swollen
glands healed, and the
tainted blood vitalized.
Good food, fresh air and
Scott's Emulsion con-
quer scrofula and many
other blood diseases.
